Silent Auction Items:

The quality of the silent auction items is extremely important. Silent auction tables have always generated the most donations for the ***Knight to Remember*** event. We want our auction items to be exceptional. The KTR fundraiser directly benefits our junior high and senior high student athletes, so please make every effort to have quality items for our silent auction tables. **The junior high teams are responsible for 1 silent auction item and high school teams are responsible for 2 silent auction items. *Each item should be valued at \$50 or greater.***

If your item is a gift certificate:

- ***Create an 8x10 or 12x12 (scrapbook size) certificate stating exactly what the gift includes.***
- ***Consider adding something small with the certificate to make the gift more inviting. It is nice to have a little something to take home along with the certificate. You are all amazing and so creative~ so just do what you do best and have fun with it!***

If you have any questions regarding the silent auction or need to make arrangements to turn in your items, please contact Wendy Leahy or Laura Wright. You can also turn in your items at any KABC meeting. **The deadline is Friday, February 17.** Please fill out the donation form and include it with your item(s).
