Greetings potential golf team members!

Tryouts for the 2011 men's high school team will begin on August 1st at 9 am at Harmon Golf Club in Lebanon. The schedule for that week looks like this:

Monday, August 1st—Harmon Golf Club—9 am

Tuesday, August 2nd—Weatherwax Golf Course—11:30 am

Wednesday, August 3rd—Sharon Woods Golf Course—7 am

Thursday, August 4th—Glenview Golf Course—7 am

You must be at tryouts to have the chance of being a member of the program for 2011. Also, you must have your physical completed and forms turned in by tryout week.

This summer, please check your e-mail as I will be sending out dates and times for voluntary practices and practice rounds. I would love to see you guys a few times before tryout week.

If you plan on competing for a varsity spot, I highly encourage you to play in a few tournaments this summer. I have included a list of many junior tournaments in the area. Please keep me updated via e-mail on some of your round results, tournament or non tournament.

Our golf camp this summer will be June 27th through July 1st, from 9 to 11am, at the Cincinnati Golf Center on Columbia Road (M, W, F), and the KEC Activity Center (Tue, Thurs). Please plan on working. We will have lots of kids attending, and we have to have as many high school counselors as possible. This camp is the only fundraiser that we have, and the proceeds directly benefit you. Be there.

I look forward to seeing you this summer and at tryouts on August 1st. Please don't hesitate to get in touch if you need anything.

Coach Tilton
