

- For nine consecutive years, Kings Local School District has been rated “**Excellent**” by the Ohio Department of Education, as part of the Ohio’s accountability system (http://www.kingslocal.net/sites/kings/Curriculum/History%20of%20Excellence/AYP_Info.pdf) mandated by the No Child Left Behind (NCLB) law. Two years ago, a Value-Added component was added to the state’s accountability system as an additional measure of student performance. Kings not only met, but exceeded this measure thus elevating the district’s rating to “**Excellent with Distinction.**” Only 116 school districts (19%) out of 612 districts in the state of Ohio received the prestigious “**Excellent with Distinction**” designation.
- In addition to the district rating, all six Kings' schools are rated “**Excellent**” by the Ohio Department of Education. This state designation is based on a combination of four federal and state measures: Adequate Yearly Progress (AYP), Performance Index, Value-Added, and State Indicators.
- Columbia Elementary School received the esteemed rating of “**Excellent with Distinction**” by the Ohio Department of Education for the past two years.
