

Welcome!

Welcome to Kings Kids Preschool sponsored by Kings Local School District. The Preschool and Childcare programs are licensed through the Ohio Department of Education.

Programs are offered to three and four- year-old children. The goal of all programs is to provide a stimulating environment that promotes cognitive, social, language and physical development. Emphasis is placed on socialization with peers in the 3 year-old program. The 4 year-old program is balanced with social skills and includes an emphasis on kindergarten readiness. The curriculum is based on the Ohio Early Learning Content Standards for preschool education as well as the philosophy of the Kings Local School District.
