### New Student Registration

Do you need to enroll a new student in the Kings Local School District? Do you have a child who will start Kindergarten next year? Has your address changed and you need to update your records with the school? Then make an appointment to see Central Registrar Tammy Schnetzer at the Kings Education Center.

When registering a new student please bring the following: Proof of residency, Child's original birth certificate, Child's social security card, Custody papers (if applicable), Immunization records, and Parent/legal guardian's driver's license.

You will also need to meet with Ms. Schnetzer if you have moved to a new address still within the Kings district, so she can update your records. At that time, you will be required to complete a change of address form, show proof of address, sign an affidavit that will be notarized by the registrar to affirm your residency status, and complete a new transportation form.
