Winter Knights

The Kings Knights are preparing for another winter season. This year's winter will have a new look to it as the Knights will compete in two new sports this season. For the first time in school history the Knights will compete in Gymnastics and Diving.

The Knights two basketball teams have been on the hardwood working hard and gearing up for the upcoming season. Our AquaKnights have been hitting the water trying to build onto some of last season's successes in the pool. The bowling teams have been heading over to Mason Bowl to fine tune their craft. The Dance and Cheer teams opened up the winter by putting on a couple great performances at Knight Madness. The wrestling team has been working hard on the mat and is ready to get the season started.

The Indoor Track team has yet to start yet but they will begin their season shortly after Thanksgiving Break

The Kings Baseball Team will host their annual Breakfast with Santa this year on Saturday, December 1st from 8am—11am at Kings High School.
