### KME Student is Legislator For a Day

Zoe Lenney, a fourth grade student in Mrs. Jane Weed's class at Kings Mills Elementary, was chosen as a winner in the Legislator for a Day Essay Contest. Ohio State Representative Ron Maag sponsors an Essay Contest each year where he asks elementary students to write about a famous person in Warren County. This year, 35 elementary students from Southwest Ohio were invited to the State Capitol in Columbus to participate as a Legislator for a Day. Zoe's winning essay was about Dr. Joseph Warren, the gentleman who Warren County was named after.

While at the Statehouse, Zoe and her fellow student legislators learned how a bill is passed and then participated in a mock session where they worked on three separate bills. After the mock session, the students and their parents took a tour of the statehouse and had the opportunity to ask questions with Representatives Maag and Paul Zeltwanger.

Representative Maag's Office said that they really enjoy this special day. Maag said, "It's important to keep young people involved in government."

### Kings Preschool Continues to Grow!

The Kings Preschool is adding another preschool classroom this coming school year. The preschool is offering another 4 day morning class. The Kings Education Center currently houses all preschool classrooms in the district. This past school year there were 14 preschool classes and 184 children attended Kings Preschool.

The new class that is being added is a 4 day Preschool class that will serve special needs and typically developing children, ages 3-5. This classroom approach is the process by which all children, including those with disabilities are educated together, allowing each child to excel and enrich the learning environment. Teachers are Intervention Specialists along with being certified to teach Preschool.

For more information about the 4 day preschool class or other preschool classes, please [click here](#) or call Susan Guckert at (513) 398-8050 ext. 10043.
