He earned an undergraduate degree in Elementary Education from the University of Cincinnati and a Master's Degree in School Counseling and a Master's Degree in Administration, also from the University of Cincinnati.

Mr. Allen has spent his entire teaching career in the Kings Local School District. He began his career in 1988 at KME teaching science, math, and social studies. After six years, he moved to Kings Junior High and has been teaching social studies. Cincinnati Children's Museum Visit Kings Preschool

The four year old Kings Preschool Classes received a lesson on human anatomy. Miss Valerie from the Cincinnati Children's Museum brought her friend "Stuffee," to help the students learn about the digestive system and other important organs in their bodies. Stuffee is a giant puppet that represents the digestive system. Students "feed" Stuffee pretend food and then they get to reach inside his body and remove various organs to learn about how the digestive system works. The students also got a chance to learn what our other vital organs look like and what they do.

What Can You Expect?

Kings Local School District's teacher job fair is unique. It's not just a handshake and a hello. You get to sit down and make a case for yourself, as well as have an opportunity to ask us questions.

Continue to Check for Openings

Before and after the job fair, be sure to check our [website](#) each day for new job openings. As soon as you see a position for which you qualify, submit your application. It will then become available not only to the principal at that school, but to principals at other schools who may at some point have similar openings.

What About Your Resume?

Please bring a hard copy resume with you to the fair.

Time, Date and Place

Kings Local School District's Teacher Job Fair will take place from 4 to 8 p.m. on Thursday, March 26 in the Kings Junior High Multipurpose Room, 5620 Columbia Road, Kings Mills, OH 45034, located on the stadium side. Look for signs.

Schedule a Job Fair Interview in Advance

For your convenience, we've made it possible for you to schedule your job fair interview ahead of time by using our online interview scheduler. [Click here](#) to schedule your interview.
