Welcome New Staff

There's been a lot of excitement around the Kings district recently. The teachers have been in their classrooms getting ready for the student's arrival for the first day of school next week. The

Kings Administrative Staff met for 2 days last week to go over new policies, curriculum, technology, and safety. The Curriculum Teams from each school building have held meetings and many of our staff have attended Google training and Professional Development seminars this summer to be ready for the school year. Additionally, all schools have had their schedule pick-ups and fee pay days. Finally, 36 new staff members have been hired in the district. Be sure to give these new staff members a warm Knight welcome when you see them!

In Memory of Kaylyn Daumeyer

KJH 8th grader Kaylyn Elizabeth Daumeyer passed away last weekend after being involved in a tragic accident. Family and friends will be received from 10:00 a.m. - noon on Saturday, August 15 at Tufts Schildmeyer Family Funeral Home, 129 N Riverside Ave, Loveland, OH, where services will be held at 12 noon. In lieu of flowers, the Kaylyn Elizabeth Daumeyer Memorial Fund has been set up at 5/3 Bank. Donations may be made at any branch with checks made out to the Kaylyn Elizabeth Daumeyer Memorial Fund. The family will be putting this money back into the Kings Theatre/Arts Programs.

*In memory of
Kaylyn Daumeyer
2002-2015*

*Beloved daughter,

Kaylyn loved Kings. She was involved in dance, theatre, and band. She will be dearly missed. If anyone has any pictures of Kaylyn to share, please drop off at KJH or leave them in the basket that will be provided at the funeral service. Guests at the service will be invited to share a memory of Kaylyn or write a memory to be that will be read on their behalf.

Parent/Student Emergency Notification Protocol

The Kings Local School District takes the safety and security of our staff and students very seriously. As a part of a new Ohio Revised Code requirement, the District is required to inform students and parents/guardians before the first day of school each year of our emergency parental notification protocols.

In the event of an emergency where an evacuation of the school building is necessary, we have identified off-site locations (reunification sites) to transport students to safety. We will disseminate information through our All-Call system, as well as use email, text messages, website, district mobile app, and district social media. We will continue to provide updates through the above avenues as needed.

The Kings Local School District believes it is as important for parents to know the resources the district will use in the event of an emergency. It should be noted that an evacuation from any given campus may cause your children to be picked up at a secondary location. If this circumstance occurs, we will utilize a parent reunification form to reunite you with your child.

We will ask parents to be sure that their emergency contact information is up to date in our files in order to be contacted in case of emergency.

Please take some time to review this important information and fill out your reunification information and put it in your car's glove box.

Kings Klost Back to Distribute School Supplies Tomorrow

Kings Klost is our attempt to serve those in our Kings community that are in need! It is simple, people need clothes, and we collect them and then give them away! We offer free Men's, Women's and

KME Has a New Driveway

In order to help with traffic flow, Kings Mills Elementary has a new driveway. By design, there is now a separation between buses and regular vehicular traffic. All visitors and parents are to begin using the new entrance for entry, parking, and exiting KME.

During the school day, the cross drive that connects the bus route to the visitor parking will remain closed.

Looking for Distinguished Alumni

The Kings Local School's Distinguished Alumni Award began in 2009 to honor graduates of Kings High School who have made a significant impact in their communities and professions and serve as exemplary role models for Kings Schools.

The award is presented during KHS Graduation. Nominations are accepted year-round and will be kept on file and considered each year. In order to be considered for the 2016 Distinguished Alumni Award, the nomination is due by February 1, 2016. If you know anyone who you feel would make a great Distinguished Alumnus, [click here](#) to access nomination form.

Kings Band Tag Day

Doorbells in the Kings Local School District will be ringing the afternoon of Saturday, August 15th. Tag Day, as it is called, is an annual Marching Band tradition throughout our area. Members of the award-winning Kings High School Marching Band won't try to sell residents another candy bar, cookie dough or coupon card. They will simply ask for a donation.

"We continue to be so fortunate to have solid support from the Kings Administration, but costs associated with a competitive marching band can be quite high. We want every student, regardless of means, to be a part of the music program," says Julia Cooke, Tag Day chairperson. "We budget to raise at least \$5000 from this one day event".

While students pay a participation fee of nearly \$600/yr, additional funds are required to cover the increasing costs of transportation, music copyright fees, uniforms and equipment. "Travel costs alone can be in excess of \$400 every time the band leaves the KHS campus to support our football team or compete in local and regional competitions" says Cooke.

Come see the band in action during halftime at Kings Football games or when Kings High School will host bands from Ohio, Kentucky and Indiana on September 12th at our first invitational of the season. This year, the band will compete in several regional competitions throughout Ohio and travel as far away as Sandusky.

Tax deductible donations, in any amount, will be gratefully accepted. Tag Day donations are accepted anytime. Checks should be made payable to KBB and sent to Kings Band Boosters, Tag Day Donations, PO Box 10, Kings Mills OH 45034.

New School Access Protocol

At the Kings Local School District, we strive to make sure that our schools are safe, caring, healthy, and an inclusive place in which to learn and to work. Fire drills, visitor badges/sign in, and other safety and security protocols and practices are important components of our commitment to maintaining a safe and secure school environment. This year, a photo ID will be required to enter our school buildings. Thank you for your cooperation.
