### Check Out Our New Website

Kings just launched a new website! The new website has all the information that the Kings Community needs to know located in one easy-to-use place. Although it is new, the information is still the same. We will continue to provide parents, students, and teachers with up-to-date information and quality educational resources. All forms needed for the school year are located under the "Student Forms" link.

Each school has its own news page that is separate from the District News. We provide daily events on the homepage along with our latest news. Take a look around our new website and familiarize yourself with the pages relevant to you and your students.

## KME Has a New Driveway

In order to help with traffic flow, Kings Mills Elementary has a new driveway. By design, there is now a separation between buses and regular vehicular traffic. All visitors and parents are to begin using the new entrance for entry, parking, and exiting KME.

During the school day, the cross drive that connects the bus route to the visitor parking will remain closed.

## Kings Klostet Back to School Supply Drive

The Kings Klostet will be open again this school year. Some things to think about.....

- We really need SCHOOL SUPPLIES for our opening on August 15. At KHS Schedule Pick-Up on August 10, 11, and 12, we will be collecting school supplies and cash to buy those.
- When you donate clothing, please remember that we accept clean clothing that is in current fashion.
- If you need clothing or school supplies, please come visit us. We get new items all the time for babies, toddlers, kids, teens and adults.

The Klostet will be open for shopping and to accept donations on Saturday, August 15 from 9:00 a.m. to 11:00 a.m.. The Kings Klostet is located on the second floor of the Kings Education Center, 1797 King Avenue. Hope to see you then!

## ESL Summer Camp a Success!

Students from across the district met for a week of English as a Second Language Camp organized by Kings alumna, Lindsey Oliva, Director of Student Women at Hope Church of Mason. The week was filled with fun and activities that taught vocabulary such as "joy," "teamwork," "patience," and "adventure." Student volunteers from Hope Church assisted Oliva to ensure that everyone made new friends and had a lot of fun!

## Looking for Distinguished Alumni

The Kings Local School's Distinguished Alumni Award began in 2009 to honor graduates of Kings High School who have made a significant impact in their communities and professions and serve as exemplary role models for Kings Schools.

The award is presented during KHS Graduation. Nominations are accepted year-round and will be kept on file and considered each year. In order to be considered for the 2016 Distinguished Alumni Award, the nomination is due by February 1, 2016. If you know anyone who you feel would make a great Distinguished Alumnus, [click here](#) to access nomination form.

## Outdoor Learning at J.F. Burns Elementary

Last spring, J.F. Burns opened an Outdoor Classroom donated by Kings Junior Kaleb Stutzman through his Eagle Scout Project, along with support from the JFB PTO. This year, J.F. Burns is really looking to take student learning outside. Third Grade teacher, Emily Roewer and PTO member, Shannon Russell met with Bill Creasey, Chief Naturalist at the Cincinnati Nature Center, this week to walk around the gardens and provide guidance on maintaining and expanding their outdoor learning resources. Mr. Creasey shared many fun facts about existing plants and provided knowledgeable advice for growing more native plants to support our natural ecosystem, while involving students in many hands-on opportunities. Mrs. Roewer said, "We are so grateful for Mr. Creasey's visit and excited to see our gardening program grow!"

## Kings Preschool Continues to Grow!

The Kings Preschool is adding another preschool classroom this coming school year. The preschool is offering another 4 day morning class. The Kings Education Center currently houses all preschool classrooms in the district. This past school year there were 14 preschool classes and 184 children attended Kings Preschool.

The new class that is being added is a 4 day Preschool class that will serve special needs and typically developing children, ages 3-5. This classroom approach is the process by which all children, including those with disabilities are educated together, allowing each child to excel and enrich the learning environment. Teachers are Intervention Specialists along with being certified to teach Preschool.

For more information about the 4 day preschool class or other preschool classes, please [click here](#) or call Susan Guckert at (513) 398-8050 ext. 10043.
