KHS National Merit Finalists

We just received word that our two National Merit Semi-Finalists have now advanced to the Finalist standing of the 62nd Annual National Merit Scholarship Program. Kings Seniors **Hannah Rasmussen** and **Anders Wikum** will now compete with 15,000 other finalists for some 8,000 Merit Scholarships worth about \$33 million.

Hannah is the daughter of Kent and Bonnie Rasmussen. She plans to pursue a degree in Physics at the University of San Diego.

Anders plans on pursuing a degree in Engineering Physics or Physics but has not yet made his final decision from his list of highly selective schools. He is the son of Erick and Elizabeth Wikum.

The pool competing to become National Merit Scholars started with 1.6 million students from across the nation who took the PSAT. Scholarship recipients will be notified in March. Congratulations Hannah and Anders!

Love the Bus Month

Kings Local Schools is proud to join the American School Bus Council (ASBC) in recognizing our school bus drivers for their commitment to safety during Love the Bus month.

We know being a bus driver can be a very stressful job! We would like to take this opportunity to thank our Kings drivers and monitors who greet our students in the morning and send them home safely each day. They are #KingsStrong!

The Love the Bus program was launched in 2007 to raise awareness and appreciation for the hundreds of thousands of school bus drivers nationwide.

Outsider's Day at KJH

After reading S.E. Hinton's timeless novel, "*The Outsiders*," the entire 7th grade at Kings Junior High School celebrated Outsiders Day on Friday, February 10. Students dressed in their very best "Greaser" and "Social" outfits as they participated in the interdisciplinary day.

Students started their day in the gym where they had a chance to show off their athletic skills during the "Rumble in the Gym," where the Greasers and the Socials competed in a dodgeball tournament. They listened to guest speakers, Tony Miller and Diane Ruwe from the Warren County Juvenile Detention Center, who presented information about gangs, prejudices, and homelessness.

Students also had an opportunity to view Francis Ford Coppola's movie adaptation of the novel and they vied for prizes in a best-dressed contest. Several KJH teachers got in on the fun, too, sporting stylish madras shirts and slacks, "tuff" jeans and t-shirts, great 60's hairstyles.

Winners of the best dressed contest above left: Maddie Larson (dressed as a social), Kylee Rumble (greaser); Above right: Ashton Olberding (social), Ryan Flecker (greaser); Below left: Mr. France and Mr. SanMarco; Below right: Tony Miller.

Celebrating Valentine's Day at Kings Preschool

Students in Mrs. Combs' Kings Preschool Class celebrated this Valentine's Day with a Valentine's Social. They made party hats, exchanged Valentines, ate snacks, and ended with a dance party!

Learning the Elements by Design

The 6th graders on the Knoble Knight team at Columbia Intermediate School have been studying the elements of the Periodic Table. Students in Mr. Luke's Class "adopted" an element and conducted research about that element.

Then, they recorded their information on a t-shirt and presented their findings from the information on their shirt. Great work!

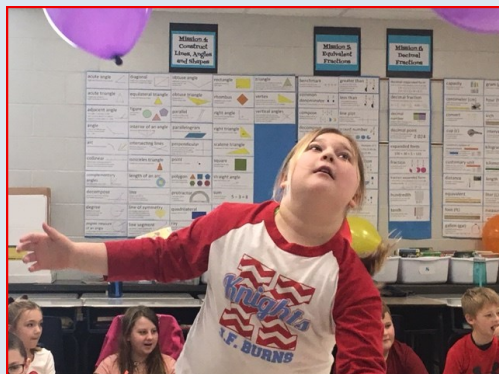

KHS Senior Advances to Overture Awards Finals

The Overture Awards is a program that recognizes, encourages, and awards excellence in the arts among Greater Cincinnati students in grades 9-12.

KHS Senior, Morgan Reece has advanced to the Final Competition in Theatre. She will perform on Saturday, March 11 at the Aronoff Center. She advanced by placing in the top 4 out of 19 in the Semi-final Competition.

Morgan could win anywhere between \$1,000 and \$4,000 in scholarship money. Good luck!

Checks and Balances for Behavior at JFB

Over the past 5 weeks, fourth graders at J.F. Burns Elementary have been keeping track of their behavior in checkbook form. Certain behaviors are given a monetary amount such as 25 cents for good manners, 50 cents for teamwork and balancing their checkbook correctly, all the way up to \$1.00 for awesome behavior. Students could also lose money, as well for things like not being prepared, not turning in homework, or no-name papers.

Students were challenged to earn \$35 in order to earn a "Minute to Win It" party. And they met their challenge! At the party they played some fun games such as Ping Pong Scoop, Back Flip, Cup Stacking, Defying Gravity, and a Bit Dicey.

Mrs. Jenny Bowman, 4th Grade Teacher said, "We are tying this into our PBIS program where we focus on being 'responsible, respectable, safe, problem solvers.'" She told us that the next challenge for the 4th graders is a ten week checkbook program where they can earn a bowling party! Good luck 4th graders! We know you can do it!

Miss Ohio Visits CIS

Miss Ohio and Cincinnati Native, Alice Magoto visited with the Knoble Knights Team at Columbia Intermediate School on Wednesday, February 15. She spoke to the students about her platform, "Beauty Unedited—Redefining Beauty for the Next Generation." She is interested in leading change in the way women are represented.

She spoke to the students about the pitfalls of overuse of social media and warned them not to spend too much time on it. She reminded the students that many images they see are edited, so they aren't seeing a true picture. She also talked about how people put their best foot forward on social media, so comparing their life to someone else's life on social media isn't a fair comparison.

She encouraged the students to complete the sentence: "Beauty is....." Some of the answers that students gave were "strong," "smart," "yourself," and "happy." Additionally, she sang the song "Scars to Your Beautiful," the song she sang for the talent portion of the Miss Ohio Pageant.

Knoble Knights Teacher, Mrs. Joey Pratt said, "She was really a sharp, fantastic speaker who related well to the kids."

#KingsKindness at CIS

Mrs. Casseday's Class at Columbia Intermediate School has been learning about Kindness Week. As an act of kindness, Mrs. Casseday's students baked cupcakes and delivered handwritten letters of appreciation to their favorite Columbia Intermediate teachers and staff members.

Now THAT's #KingsKindness!

Kings Athletics Partners with the 2nd & 7 Foundation

Kings Athletics and the Student-Athlete Council have partnered with The Second and Seven Foundation, a non-profit organization founded by three former Ohio State University football players, Luke Fickell, Ryan Miller, and Mike Vrabel. The purpose of the foundation is to help promote literacy through their "Tackle Illiteracy" Program.

The Foundation has incorporated student-athletes from universities and high schools from across the nation to visit second grade classroom to talk about the importance of reading.

This week, our student-athletes visited all three of our elementary buildings to read to our second graders. They will visit classrooms once a month to read books provided by the foundation. The books cover topics such as healthy habits, being a good sport, teamwork, and kindness. The Foundation writes their own books and provides copies for each student to take home after our student-athletes read to them.

Across the country, the 2nd & 7 Foundation has donated over 150,000 books to kids in need since it started in 1999. To learn more about the Second and Seven Foundation [click here](#).

Mrs. Ketchmark also taught the students about various storms and how they can be safe in an Ohio thunderstorm or tornado. After talking about thunder, lightning, clouds, and hail, Mrs. Ketchmark answered questions from the students.

The entire 2nd grade was featured on the Thursday, [February 16 morning broadcast](#) saying "Good Morning Tri-State from South Lebanon Elementary School!" SLE Second Grade Teacher, Sheridan Pagan said, "What an incredible experience for the kids to be a part of."
