## Kings Offers FREE Summer Lunch Program

Next week, for the second year in a row, the Kings Local School District, in partnership with the South Lebanon Community Center/Joshua's Place Community Outreach Organization, is participating in a Summer Meal Program. The program will provide FREE meals to children between 1 and 18 years of age. Youth ages 19-20 with a mental or physical disability who participate during the school year in a public or private non-profit school program are also eligible to receive free meals. No registration is required.

Free lunch will be available weekdays from Monday, June 6 through Friday, August 5 from 11:00 a.m.—12:30 p.m. at South Lebanon Community Center, 83 N. Section Street, South Lebanon Ohio. Petermann/Kings Local Transportation Department will be providing bus service for school aged children only. New this year is a route in Kings Mills. Please [click here](#) for bus schedule, menus, and more information.

This is a great program offered by our Kings Food Service Department. Last summer, over 50 FREE lunches were served each day. #KINGSSTRONG

## How to keep kids learning all summer

### Summer Educational Resources

This summer, Kings will not be offering Summer School for elementary aged students. The Kings Local School Curriculum and Instruction Department is delighted to inform you about some programs available to help reverse summer learning loss and be prepared for next school year.

Research shows that most students lose 2-3 months of grade level math equivalency over the summer. An hour a week is all it takes for your child to strengthen his/her math skills, and prepare for the year ahead.

[Click here](#) to visit our Curriculum Department site and you will find Summer Learning Resources and other Elementary and Secondary Resources to help minimize the summer slump!

### Kings Kids Kicks Off Summer Program

Nearly 200 children are signed up to participate in this year's Kings Kids Summer Camp Program. Children from preschool through 6th grade will enjoy an all day, 5 days a week program at the Kings Education Center. This year's theme, "Summer Camp is Out of this World," is all about space. Each classroom of students has a different space-themed name like the Astronauts, Shooting Stars, Moonbeams, Novas, SuperNovas, Comets, Moon Rocks, and Rockets.

Activities are planned around weekly themes and the children have additional enrichment activities such as special visitors, museum outreach programs, zoo programs, and field trips. The kindergarten through 6th grade kids go to the Beach Waterpark each week while the preschoolers enjoy a Water Day at the school.

Wednesday, June 1 was the first day of camp. The campers were treated to Kona Ice after their lunch. Camp will run until Friday, August 12. Sounds like an exciting summer of activities, field trips, and friends!

### School's Out For Summer!

The last day of school at J.F. Burns Elementary was a fun one! As the students were leaving, the entire staff lined the drive waving goodbye. The bus drivers did their annual "Circling of the Buses" as they circled around the drive honking their horns. The students waved from the buses as they said their final good byes.

## KHS AP Digital Media Arts Class of 2016

This year, Kings High School graduated 14 Advanced Placement Digital Media Arts students. These talented students are looking for internships, commissions, networking, and job opportunities that will help them achieve their future career goals. If you like their work, please contact them directly for your photography, illustration, design, animation, video and filmmaking needs! Please forward their portfolios to anyone you know who might be interested in their work.

[Click here](#) to see the wonderful work they have created during their time in high school.

## Kings High School Partners with Living Word Fellowship for AP Testing

With a record number of students taking College Board Advanced Placement (AP) tests this year, around 400 students taking 800 exams, Kings High School was faced with a challenge in finding a testing location that was both quiet and large enough to hold enough tables and chairs to meet College Board's guidelines. After many calls to facilities throughout the area, Living Word Fellowship, 9781 Fields Ertel Road, provided the solution needed, at no cost to the district. During the two weeks of testing, hundreds of students occupied their walls from 8:00 a.m. to 4:00 p.m. most days.

With the focus on hospitality and serving the community, the staff graciously welcomed students, kept the facility clean and quiet, and accommodated our staff by storing tables and chairs, as well as meeting them in early hours to allow for set up and test preparation. Living Word Fellowship expressed appreciation to Kings High School for having the opportunity to host our outstanding students. Kings High School is very grateful to partner with them.

To check out Living Word Fellowship, visit [www.livingwordexamples.com](http://www.livingwordexamples.com).

## MAP Training

School may be out but some of our teaching staff have been attending training for MAP (Measures of Academic Progress).

MAP is a type of Mathematics and Reading assessment that is computer adaptive. This assessment will be used in the district next year for K-8. The assessments are designed to help teachers

determine a student's instructional level and provide context for determining where each student is performing in relation to state standards. MAP will also measure student growth over time.

Kings Elementary Curriculum Director said, "We are very excited about implementing MAP next year. The data from the MAP assessments will help teachers meet the needs of all students, including those with more intense instructional needs. MAP assessments will play an integral part of the district's RTI process by providing data that will allow teachers to provide high-quality instruction and interventions matched to individual student needs."

Those who attended the two day training are: Angie Thompson, Matt Freeman, Dana Martin, Susie Burdine, Amber Baer, Dave Winebrenner, Jason Kemen, Anna Bersani, Lynn Jenkins, Sharon Preston, Lindsey McKinney, Jenna Jackson, Lindsey Callahan, Debbie Ryan, and Taylor Linker.

## Warren County Combined Health District

Lebanon, Ohio

The Warren County Combined Health District Immunization clinic will be holding a special clinic on Saturday, June 11 from 8:30 a.m. – noon. They will be offering all required vaccines and any recommended vaccines for children in Kindergarten, 7th grade and 12th grade. Children must be accompanied by a parent or legal guardian. A copy of a current shot record is required as well as any insurance cards.

Immunizations will be given by appointment only. Please call 513-695-1468 or 513-695-1229 to schedule an appointment for the June 11 clinic.

### Just a Reminder....

Beginning next school year, there are new immunization requirements for schools in Ohio regarding the meningococcal vaccine. The state will require incoming 7th graders to have one dose of meningococcal vaccine in addition to the requirement of one dose of Tdap vaccine.

Students entering 12th grade will need to have a second dose of meningococcal vaccine. The second dose must be administered on or after the 16th birthday. If the first dose of meningococcal vaccine was administered after the 16th birthday, a second dose is not required.

Meningococcal vaccines help prevent against the bacteria that cause meningococcal disease.

### Kings Kids Before/After School Registration for 2016-2017

Kings Kids Before/After School Program is now accepting registrations for the 2016-2017 school year. The morning program begins at 6:30 a.m. and is open until the children go to their classrooms. The afternoon program begins when school is dismissed and is available until 6:00 p.m. Registration is accepted until the program is full.

The purpose of our Kings Kids Before/After School program is to provide quality care and a safe environment for children before and after school. Students are provided time to do homework and Kings Kids Staff are available to provide homework assistance. In addition children will be able to participate in a variety of activities such as crafts, outdoor/indoor play, group and individual reading time, puzzles/games and imaginative play. Kings Kids curriculum meets Ohio Department of Education criteria.

Registration forms are available on the Kings Website by [clicking here](#). For more information, call 398-8050 ext. 10040.
