Veterans Day Around the District

Last week on Veterans Day, over 500 veterans were honored and recognized throughout our district. Students met veterans who served in World War II, as well as those who have just recently served in Afghanistan.

Kings Mills Elementary Veterans were entertained by the KHS Symphony Band as they walked through the halls in the annual parade after being treated to breakfast. Over 80 Veterans walked with loved ones through the halls of J.F. Burns Elementary in the annual Veterans Day Parade. Each Veteran was introduced by our own Kings Board of Education President, Robert Hinman.

At South Lebanon Elementary, the day began with the 4th grade Choir singing the National Anthem and the student body listening to two Veterans speak. They also hosted a lunch for Veterans. Columbia Intermediate School hosted the 810th Quarter Master Company from Kings Mills who brought their vehicles and let students tour them. They also hosted a Veterans lunch.

Lastly, Kings Junior High Students lined the halls to greet the Veterans who were visiting for the annual Veterans Day Lunch.

It was truly a moving day around the district. A day we look forward to every year!

*We give thanks for all of our students, staff, and community.
Have a Happy Thanksgiving!*

Remember, NO SCHOOL November 22-24.

Kindness Week at SLE

South Lebanon Elementary celebrated Kindness Week this week. They spend the entire week focusing on being kind to one another. The theme of the week was "Choose Kindness."

Students started each morning off with a video clip about kindness. They also completed a "Kindness Challenge," decorated paper bags for Kroger to pack groceries, and participated in many other kindness activities.

The highlight of the week was the Jim "Basketball" Jones assembly on Thursday! Jones travels the country to inspire and encourage students to believe in themselves and realize their potential. For Jones' visit, the entire SLE student-body wore a blue t-shirt with the words "Choose Kindness" on the front. The shirts were donated by the SLE PTO.

SLE Guidance Counselor, Susie Burdine said, "Kindness Week is my favorite week of the school year. Having this time set aside to really focus on spreading kindness throughout our community is important to SLE. We love our community and know that these kids can make a difference in the world!"

KHS Yearbook Receives High Honors

A special shout-out to the Kings High School 2017 Yearbook Staff. Their yearbook was selected for the annual Gallery of Excellence by Walworth Yearbooks for the third year in a row!

Only a small percentage of yearbooks published by Walsworth are included in the Gallery of Excellence, which is a showcase of the best yearbooks published by Walsworth.

The winning yearbooks feature superior examples of coverage, design, photography, and copy. KHS was the only school in the area included in this elite group.

Walsworth representatives will be taking the KHS 2017 edition to schools and regional, state, and national conventions and workshops to use as idea generators. Walsworth President, Don Walsworth said, "The induction of your yearbook honors your staff's exceptional work and dedication to excellence."

Prosecutor Fornshell Visits KJH

On November 6, Warren County Prosecutor, David Fornshell presented to the Kings Junior High School 8th grade class. His presentation, "Juvenile Decisions, Grown-Up Consequences" touched on subjects such as school threats, sexting, and sex related crimes.

He gave the students a lot of pertinent information and gave them the opportunity to ask questions. Thank you Prosecutor Fornshell for taking time out of your busy schedule to talk to our students!

The above mural was created by the students in the nineteen Kings Preschool Classrooms. The children in the childcare rooms decorated leaves to add to the mural.
Happy Thanksgiving from Kings Preschool!

KHS Engineering Students at OSBA Student Achievement Fair

Kings High School Engineering students traveled to the Columbus Convention Center this week to be a part of the 2017 Ohio School Boards Association Capital Conference Student Achievement Fair (SAF).

The SAF promotes outstanding programs across Ohio school districts. The engineering students showcased the electric car they designed and built. Seven KHS engineering students, along with teachers Jason Shields and Sam Mizener spent the day demonstrating the process they used to design and build the car.

Additionally, artwork created by Chris Stock and Anna Claire Barker were on display in the Convention Center as a part of the

Student Art Show. The show featured outstanding artwork from around the state.

Kings Community Relations Coordinator, Dawn Gould attended the Fair and said, "I was so impressed by the maturity and leadership these students exhibited. It made me very proud to be a Knight!"

More than 9,000 public educators attended this year's conference. It is one of the nation's premier education events.

KJH Publishes First Online Publication

This fall, *KJH Chronicle* was added to the elective course options at Kings Junior High School. It is a one-semester course, throughout which students study the fundamentals of journalism, explore news values through current events, develop questioning and interviewing skills, and write articles based on their own (and their audience's) interests. Please check out our first issue by visiting <https://kjhchronicle.wordpress.com>.

JFB Candy Drive

Once again, the Kings Local School District and the surrounding communities have come through in a BIG way for our troops. A record 3,206 pounds of candy was collected for the Yellow Ribbon Support Center through the 7th Annual J.F. Burns Elementary School's Candy Drive for the Troops.

1,130 pounds was donated by the students at J.F. Burns Elementary, 1,007 pounds was donated by the students at Columbia Intermediate School! 510 pounds was collected at Salemtownship Elementary School, an effort spearheaded by Kings parent Tim Hueker. CVS in Landen donated 222 pounds, Riverwalk Subdivision & surrounding areas donated 156 pounds of candy & care package items, Prominent Title Agency donated 54 pounds and Kings Junior High, Kings Mills Ohio donated 127 pounds.

The Drive organizer, Hope Cantrall said she couldn't do this alone. "Thank you to Mac's Pizza Pub Landen for letting us put a drop box there for collection. Last weekend I got a call that I needed to come empty the box because it was overflowing!" she said. She is also grateful to Dayna Patrick and the Kings students who helped weigh all of the candy. Additionally, Nurse Frecker, Mr. Luke, and Mr. Griffin are owed a big thank you as well for helping to get everything taken care of at CIS, and Mrs. Bigelow for heading up collecting candy at the junior high. "We could not do this without all of your help, that includes the entire community. You all are what makes us #KingsStrong!" she said.

Volunteers at the Yellow Ribbon Support Center sort and package the candy to send out to deployed military all over the world. The packages can take anywhere from 2-4 weeks to reach their destination.

CIS Runner's Club Ends Their Season

Columbia Intermediate Runner's Club had a great Fall season! Students met every Tuesday and Thursday to run 2.3 miles around Landen Lake. The students ran over 30 miles this fall!

For the end of the fall season Runner's Club, the students were able to redeem the "runner's bucks" they received every time they attended Runner's Club at a raffle and silent auction arranged by Mr. Griffin & Mrs. Rutkowski.

The Club will take a break for the winter and be back at it in the Spring.

Mr. Griffin said, "Special thanks to Kings Cross Country Coaches, Jim and Lynn Brant and the KHS Cross Country Program for their support of the Runner's Club this fall."

Don't miss the next production by Kings Theatre called, "She Kills Monsters." The story is set in Athens, Ohio, 1995, Agnes Evans goes on a journey.
