Kings BOE Hires New Treasurer

During a Special Meeting on November 2, the Kings Local Board of Education hired Mr. Cary Furniss as the District's Treasurer. Furniss replaces Shaun Bevan, who was hired last month as the Mason City Schools Treasurer. Furniss will be joining Kings Administration effective January 2, 2018, and was granted a three-year contract.

Furniss, who comes to Kings with 30 years of financial experience, currently serves as Treasurer of Reading City Schools. He has also previously served as Treasurer at Lebanon City Schools, Norwood City Schools, Upper Arlington City Schools, and the Mason City School District. He has earned numerous honors over his career including the prestigious Auditor of State Award.

The Kings Board of Education is pleased that Mr. Cary Furniss will lead the District's financial team. Kings Local School Board President, Robert L. Hinman said, "Cary has extensive experience as treasurer of several Cincinnati area school districts. He has outstanding credentials, a great work ethic, and will be a fantastic asset to the Administrative Team of Kings Local. We welcome him to the Kings Community."

Mr. Furniss is looking forward to joining the Kings team. "Kings is one of the premier District's in the region. I have been thoroughly impressed with the commitment of the Board, Administration, and staff in regards to student achievement," he said.

His primary focus will be on the District's five-year forecast and familiarizing himself with the District's finances. "I will also be focusing on transitioning with Mr. Bevan regarding on-going initiatives in the Treasurer's Office and in the District," said Furniss.

Furniss is a graduate of Wilmington College and holds licensure as a school treasurer and business manager. He and his wife, Gerry have one child in college and two in high school and reside in Lebanon. In his spare time, he focuses his energy on his children's activities and is a big baseball fan.

Good Luck Kings Band!

Our Kings Marching Band will perform in the State Championship this weekend! In order to qualify for OMEA (Ohio Music Education Association) State Marching Band Finals, a band must receive the highest rating of "Superior" at a local competition. The band performed well enough on October 7 in Sandusky, Ohio where they were named Grand Champions and received first place in all categories, including best overall, which qualified them for the State Finals. They perform Sunday, November 5 at 5:15 p.m. at the University of Dayton Welcome Stadium.

The band will also compete in an independent regional circuit this Saturday, November 4 called the Mid-States Band Association (MSBA). The competition consists of bands from Ohio, Indiana, Michigan, and Kentucky. Their preliminary performance is at 10:45 a.m. and the final performance will be sometime between 3:45 and 4:45 p.m. at Mason High School.

Last weekend, the Marching Band performed at Centerville High School where they were named AAAA champions, and received best music, best visual, and best general effect.

There is a send-off rally for the band at 2:45 p.m. on Sunday, November 5. Meet in the KHS parking lot to cheer the band on as they board the buses! Family and friends are encouraged to bring signs and noise makers to wish them good luck!

Student-Driven Book Club at SLE

A big shout out to the fifteen fourth grade girls at South Lebanon Elementary who started a Book Club with their teachers, Heather Clements and Jennifer Westley!

They typically meet every other week either during lunch or recess and spend time reading and discussing their current title. They are already on their second book and when they finish a book, they have had little celebrations.

Mrs. Westley is able to get multiple copies of books from the Hamilton County Library Teacher Collection Card System. Mrs. Clements' said that the girls begged them to start a book club. "It has been very exciting and successful!" she said.

Math Boot Camp at SLE

The South Lebanon Elementary School 2nd Grade Teachers put on a Math Boot Camp for the 2nd grade students on Thursday, October 12. The "Cadet Trainees" were given a math task to complete that incorporated some kind of physical activity.

Some of the 12 Boot Camp stations included: Flash Card Crunches, Tens Tires, Place Value Calisthenics, Plus Ten Squats, and Place Value Beanbag Toss.

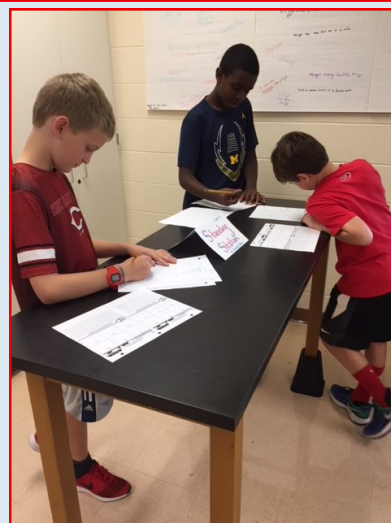

Several more Math Boot Camps are planned for the rest of the year. Great job, 2nd graders!

CIS Standing Stations

Research shows that not all students learn the same way. In fact, simply physically changing the learning environment can promote a more engaging classroom.

Columbia Intermediate School's Gifted Intervention Specialist, Lynn Wagner got creative and turned her old short tables into "Standing Stations." She simply placed bed risers under the legs of the former short black science tables and secured them with screws and washers.

Now her students can work while standing. She said, "The kids love standing and having a table at the right height so they don't have to bend over." She said that it was just a way to make the old tables into something useful. "The stations are a HUGE hit!" Wagner said.

KJH Food Drive

Congratulations to Kings Junior High School on their recent Food Drive. They collected over 3,000 items for the Kings Local Food Pantry. The overall winner was 7 Red who, as a team, donated over 1,200 items. Way to give back, KJH!

J.F. Burns Elementary Seventh Annual Candy Drive for the Troops

It's that time of year again! The J.F. Burns Candy Drive for the Troops is in full swing! J.F. Burns Elementary School will collect Halloween candy to send to the troops overseas. Candy can be dropped off at J.F. Burns or Mac's Pizza Pub in Landen through November 10. They are looking to reach their goal of exceeding the 2,371 pounds of candy that was collected last year!

All types of candy and snacks (including Chocolate) will be accepted, with the exception of candy in the shape of body parts or weapons. If possible, please send the candy into the school in Ziplock® baggies.

Monetary donations are also being accepted to help cover the cost of shipping the care packages. You may send a check made payable to "The Yellow Ribbon Support Foundation" or make your donations via PayPal through www.yellowribbonsupportcenter.com. All donations are tax deductible.

This is the seventh year that JFB has partnered with The Yellow Ribbon Support Center in Batavia, Ohio, who sends care packages to local military service members who are deployed in an effort to bring them a little comfort from home. If you have a loved one that is currently deployed in harms way, please email Keith Maupin at KeithMaupin@yellowribbonsupportcenter.com. Questions should be directed to Hope Cantrall at hopecantrall@gmail.com.
