United Way Promotes Literacy and Healthy Eating

Kings Preschool received 255 packets of the Early Childhood Literacy Fall Healthy Eating Packets this week. Each packet contains the book, *Oh the Things You Can Do that are Good for You!* and a child's portion plate based on the USDA recommended food portions.

The packet was made possible through the United Way of Warren County and a grant from Premier Health Network. The Cat in the Hat book takes readers to a Seussian Spa where they can learn the basics of healthy living and contains fun suggestions for children to increase their activity throughout the day and kid-friendly recipes.

Every preschool student enrolled in a Warren County Public School District classroom, plus Warren County Career Center preschool and Head Start, will receive a Healthy Eating Packet.

2017 Homecoming Queen and King

Congratulations to Kings High School 2017 Homecoming Queen, Ashley Douglas and King, Nick Cittadino! They were crowned at halftime of last week's 35-7 win over Turpin. Check out this [gallery](#) of the Homecoming Court.

SLE Rock Project

If you have been to South Lebanon Elementary lately, you may have seen some beautiful, colorful rocks lining the walkway. Each student at SLE has created a piece of artwork to spread a special message; "There's Only One You."

The collaborative art installation is based on the book *Only One You* by Linda Krantz. The story is about a fish that learns that he is unique but he is here to make the world a better place. The project focuses on being proud of those things that make us unique.

The project led by SLE Art Teacher, Stacy Hoffert, allowed every child to design and paint a rock to represent their individuality. There are 520 rocks representing each child at SLE. SLE would like to extend a special thanks to Fosters Farm for donating all of the rocks!

KHS Students Celebrate Ally Day

Kings High School and The Equality Alliance (formerly Safe Space) celebrated Ally Day for the second year in a row on Wednesday, October 4. The week is sponsored by GLSEN, the Gay, Lesbian & Straight Education Network, which is the leading national education organization focused on ensuring safe schools for all students. Kings High School is dedicated to celebrating allies committed to ensuring safe and effective schools for all, and to encourage students to take action to support Lesbian, Gay, Bisexual, Transgender, and Questioning students.

At Kings High School, teacher Jill Pratt said, "This is a wonderful day for students and staff to be honored for their commitment to being allies for all kids, and it is appreciated so much by kids who identify as LGBT, whether they come to the group or not!"

Three years ago, Pratt organized a club called "Safe Space," for students who identify with the LGBT community, students who support the LGBT community, and teachers who may want to be involved, as well. The group has changed the name to "The Equality Alliance" in order to demonstrate the importance of having kids support each other. While there are a small group of students who participate in TEA regularly, Pratt said, "We KNOW there are students in the building who can benefit from the support of their peers."

On Ally Day, KHS students were asked to wear tie-dye in, pins and stickers to support of the LGBT community. A sign in the lobby was also available for students and staff to sign to show support for their LGBT peers and friends. All students are welcome to be involved. Feel free to contact Jill Pratt at 513-398-8050, ext. 11070 with questions.

October is **National**

BULLYING Prevention Month

October is National Bullying Prevention Month

It's National Bullying Prevention Month and the Kings Local School District would like to make you aware of some resources available to you right on our website. We offer a hot-line through Public School Works that can be found on the Resources Tab on our website. You just click the link that says "[Stay Safe, Speak Up Hotline](#)." Also on our [Resources page](#) you will find information about Bullying and Cyber-bullying, district bullying incidents report, and a Parent Information Section which provides parents with information on the challenges that students face.

The State of Ohio now offers a Safer Schools Ohio tip line. Once a tip is received by the Safer Schools Ohio tip line, Ohio Homeland Security personnel will determine whether the concern is a school-related threat of a criminal nature and /or a criminal terrorism-related tip or suspicious activity, call 844-SAFEROH.

Kings Local Schools Assistant Superintendent, Timothy J. Spinner has completed the requirements to be certified as a Professional Human Capital Leader in Education (pHCLE). This certification recognizes individuals' mastery of a unique set of knowledge and skills at the intersection of education and human resources, designed to facilitate effective leadership and management in schools, districts, and other education organizations.

"Today, it is critical that school districts are able to recruit and retain top talent to ensure equitable access to excellent educators. To do that, schools need knowledgeable and skilled human capital professionals. The pHCLE certification program is rooted in professional standards that outline the competencies that human capital leaders must master to recruit, grow, and retain top talent," explains Tony Bagshaw, chief improvement officer at Battelle for Kids.

SLE Walk-a-Thon a Success

Congratulations to the students of South Lebanon Elementary who exceeded their goal of \$15,000 to raise \$21,198.39 at last week's Walk-a-thon!

SLE PTO organized the event and tell us that 98% of the funds raised will go directly to the students, staff and programs at SLE!

Special thanks to Walk-a-thon chairs Jackie Keppler and Rachna Detmer on their second successful fall fundraiser.
