KME Celebrates Dot Day

Last Friday, Kings Mills Elementary celebrated International Dot Day, a global celebration of creativity, courage, and collaboration based on the book, *The Dot*, by Peter H. Reynolds.

The book is the story of a caring teacher who dares a doubting student to trust in her own abilities by being brave enough to “make her mark.” What begins with a small dot on a piece of paper becomes a breakthrough in confidence and courage, igniting a journey of self-discovery and sharing, which has gone on to inspire countless children and adults around the globe.

KME Art Teacher, Katie Heagen read the book to the staff and gave them ways to connect Dot Day into their curriculum. Music Teacher, Matt Jenkins then taught the students the “[Dot Song](#)” with hand motions. Media Specialist, Carrie Cunningham read *The Dot* during library, and every student created a dot that represented themselves in Art class. The staff even created their own dots for the students to try and guess who made which dot.

Students and staff alike wore polka dots to celebrate the day. International Dot Day is celebrated every year in 169 countries.

Eagle Scout Completes Project at JFB

Kings High School Senior, A.J. Feldstein recently visited J.F. Burns Elementary to talk about his Eagle Scout project that he completed for J.F. Burns. His project of improving the school’s kickball field included taking down and replacing fencing, repainting poles, creating a scoreboard for one side of the fence, and another board with the Kings logo and a plaque.

His plaque reads "Dedicated to the teachers and administrators of Kings. Thank you for your passion and dedication."

A.J. also built an equipment box that stores chalk, bases, and kickballs. He talked to the fourth graders about his project and what it entailed, but also told them that it was a project that he envisioned doing since he was a third grader at JFB. A.J. is a Boy Scout with Troop 21.

Two Kings Students to Play with Cincinnati Symphony

CIS Students Start New Business

The students in Mrs. Casseday's class at Columbia Intermediate School have started a coffee delivery service for the staff. Each Friday, you will see the "Columbia Coffee Crew" with a student manager making their way around the building with coffee and hot chocolate.

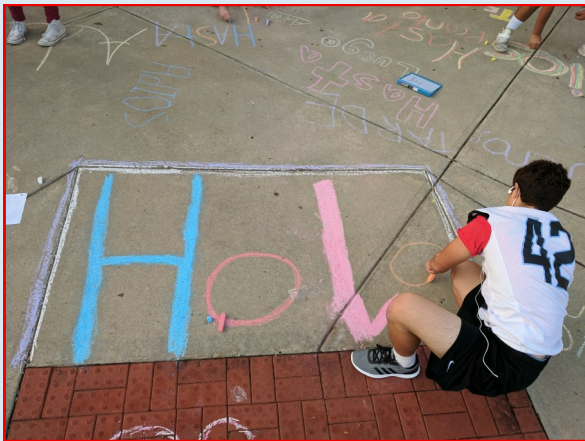

With this business, the students practice important job skills such as communication, money skills, and organization, while making, delivering, and selling their refreshments.

KHS Spanish Classes Offer Greetings to Visitors

Last week if you visited Kings High School, you may have seen students creating art on the sidewalks of the two main entrances to the school. Jorge Gonzalez' Spanish classes have been working on greetings of arrival and departure in Spanish and to practice, they took to the sidewalks.

Greetings such as Hola, Adios, Buenos Dias, Hasta Luego and more were written to make us feel welcomed! Watch this [Facebook LIVE video](#).

6th Grade Studying Architecture

The Columbia Intermediate School 6th grade is currently studying architecture and interior design in art class. As a part of the unit, they have been studying the works of America's most famous architect, Frank Lloyd Wright.

CIS 6th grader, Ben Ewing recently visited Fallingwater, a national historic house designed by Frank Lloyd Wright. (Pictured below right)

Students have been working on their "Dream Rooms," project where they design a room after they create a "wants" and "needs" list.

The Dream Room is a 3-D model drawn on one piece of paper.

Free and Reduced Lunch Opportunity

The Kings Food Service Department is a member of the National School Lunch Program. With this program, they offer a Free and Reduced Meal Program.

Free and Reduced-price lunches are available to students who qualify and meet the eligibility guidelines. Students who qualified last school year automatically qualify for the first 30 days of the school year. However, a new application must be completed for the 2017-2018 school year within 30 days from the start of the school year for the child to continue the program.

In order to continue the program past Monday, October 2 for those currently on the program, the application is due by September 29. Applications may be obtained by contacting your child's school or you can also access a copy from the Kings Local School website at www.kingslocal.net or by [clicking here](#).

Applications are accepted at any time during the school year for any student, however for those students on the program last year, in order to extend the program past Friday, September 29, 2017, without interruption, a new application needs to be completed.

Please contact Kings Food Service Director, Jennifer S. Arlinghaus R.D., L.D., at 513-398-8050 ext. 10027.

Kings Local School District Food Service Department has partnered with the Lockland School District to provide food service for this school year. The Kings Local School Board and Lockland School Board entered into a contractual agreement to share food services. Kings Local School District will support and manage the operations of Lockland Food Service in compliance with state and federal guidelines.

This shared service agreement will give our District an opportunity for enhanced growth of not only the food service operations, but also for improvements within the District.

Lockland School District, as well as Kings School District is enrolled in the School Breakfast and School Lunch Programs. Additionally, the Lockland School District is part of a federal program C.E.P. Rumble for the Ribbon

On Friday, October 20, Kings and Loveland will come together for the annual Rumble for the Ribbon Football Game. This year's game will be hosted by Loveland. Kings Volleyball Gives Back

On Monday, September 18, the Kings High School Volleyball Program hosted their annual Volley For A Cause Fundraiser. Every year, the team hosts a match and designates a charity to raise money in order to give back.

This year, junior player, Shelby Malburg selected Joseph House, a facility that provides mental health and addiction support to Veterans. Raffles, split the pot, and baked goods were for sale to raise money.

A poignant moment of the evening was when the head official, Marc Rosen, who is also a Veteran, sang the National Anthem. Representatives from Joseph House came to share some of their work and watch a thrilling 5 set match.

Despite the loss, everyone was a winner Monday night, especially Joseph House who, because of the players and parents' volunteer efforts, received a \$730 donation. For more information about Joseph House visit www.josephhouse.com.
