### Pay Online

Kings Local Schools Nutrition Department uses the [PayForIt.net](http://PayForIt.net) online payment program. It is a fast, easy and convenient way to put money on student lunch accounts.

Benefits include:

- Automated low-balance emails
- Scheduled payments allow parents to pay weekly, biweekly or monthly if desired
- Low-balance payments can automatically add money when an account runs low
- Families can download a mobile app for smartphones

### Apply for Meal Benefits

Please visit our Website to download an Application for Meal Benefits.

Free and reduced-price meals are available to families who qualify. Eligibility is based on family size and income guidelines developed by the U.S. Department of Agriculture.

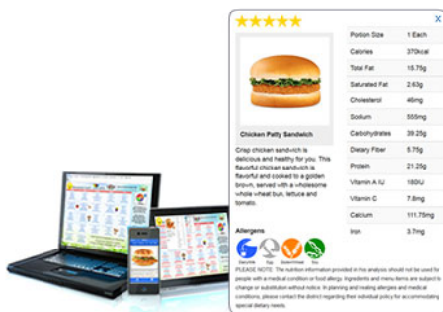

Meal Benefit Application forms are available to all families at the beginning of each school year. The forms should be returned promptly by families who wish to be considered, although application can be made at any time during the school year. Only one Meal Benefit Application form per family is required. Nutrition Services will notify families of their application status.

### Menus

Digital Menus for a Digital World.

Our Menus are digitally interactive and available on our website, on our mobile app, and available by automated email each month. Learn all about the healthy meals we serve with interactive nutritional, product photos, descriptions, allergens, and product formulation statements.
