Kings Local School District

The philosophy of education of the Kings Local School District is based upon the belief that children are the most valuable resource in any community, city or nation. The maximum educational development of each student is our ultimate objective, and we formulate our curriculum around two major premises. First, we endeavor to equip your children with the increasingly complex knowledge and skills to prepare them for vocations, or for further formal education in college and professional schools. Second, we strive to introduce your children to practices and ideals of personal and group behavior that will perpetuate and advance the aims and benefits of a democratic way of life. Knowing that the causes of democracy and free education are bound together, we believe that one cannot survive without the support of the other. The responsibility rests with the school to project ideals of our democracy and to create an awareness of our American heritage sufficient to confront the conditions of a changing world. We believe that the major purposes and goals of education are all inclusive and should be centered on the individual needs and natures of your children.

Statement of Preschool Childcare Philosophy

The Preschool Childcare Programs are a supportive addition to the lives of the parents who work outside the home and for their children. A parent's decision to place a child in our program is viewed as a loving choice to give the child opportunities for play and social experiences during times between school and home.

The program will compliment and extend upon experiences children have at preschool and home. Adults in the program provide ample time, space and materials for play, access to a variety of playmates and permission to play within limits of safety and courtesy. Children choose freely among activities they can do successfully and independently. Adults are completely available to children for playing, meeting needs (socially, emotionally and physically), and addressing issues that are important for the children.

Kings Kids strives to provide a balance to the academic emphasis of the preschool day. Our childcare curriculum addresses personal discipline, social development, emotional well being, recreational skills, and health/safety skills. Our childcare program also incorporates the Early Learning and Development Standards of the state of Ohio. We work to address the individual needs, personal interests, and developmental needs of all of our students.

Children are valued as members of special families, and parental feelings and preferences are considered. Our program professionals actively foster and participate in our programs and work to facilitate your child's growth through a home-cooperative approach. Kings Kids provides an environment that is responsive to and respectful of individual differences, learning styles, interests, family backgrounds, gender, race and religion.

CHILDCARE PURPOSE & GOALS

We welcome you and your child(ren) to the Kings Preschool & Childcare Program. The primary purpose of this program is to provide quality care and a safe environment for children before and after preschool. Within this framework, the program seeks to provide a recreational/educational alternative to parents for adequate before and/or after preschool care for their children. Students will be able to participate in a variety of activities such as crafts, creative construction, group/individual reading, imaginative play, outdoor/indoor play, puzzles/table games, dramatic play, and fine arts.

PRESCHOOL PURPOSE & GOALS

The goals of the Preschool programs are to provide opportunities to enhance and facilitate development of the cognitive, social-emotional and physical abilities of the children. Our emphasis is on kindergarten readiness, independence and working as a member of a group. All preschool classes include the Early Learning Development Standards of literacy, mathematics, science and technology, social studies, the arts, English language acquisition, physical and social emotional as well as small and large group experiences.

Children in the Kings Preschool & Childcare classrooms must be able to function and care for themselves in a large group setting and must be toilet trained. It is not part of our licensure to change diapers or pull-ups. It is not required that a child identified as a preschooler with a disability be toilet trained. Tuition students attending the Special Needs Preschool classroom should be potty trained.

KINGS PRESCHOOL STAFF/SUPERVISION

The Kings Preschool & Childcare Program adheres to the guidelines set by the Ohio Department of Education with regards to student/staff ratios, required in-service trainings and professional development, and employee recruitment. We strive to provide the most efficient and appropriate supervision to all of our children in order to maintain a safe environment.

REGISTRATION

Preschool registration takes place in early January. Children that are currently enrolled and their siblings have the opportunity to register first. Registration opens to the community later in January. Children must be 3 years old by September 30.

OTHER PROGRAMS

Other programs available include the Summer Childcare and Before and After School Childcare (located at all elementary schools). The Summer Program is filled on a first come, first serve basis. Parents will be notified in the Spring for summer registration.

2. Discipline shall not be delegated to a child.
3. No physical restraints shall be used to confine a child by any means other than holding a child for a short period of time, such as in a protective hug, so that the child may regain control.
4. No child shall be placed in a locked room or otherwise confined in an enclosed area such as a closet, box, or similar cubicle.
5. No child shall be subjected to profane language, threats, derogatory remarks about himself/herself or his/her family, or any other verbal abuse.
6. Discipline shall not be imposed on a child for failure to eat or sleep, or for toileting accidents.
7. Techniques of discipline shall not humiliate, shame, or frighten a child.
8. Discipline shall not include the withholding of food, rest, or toilet use.
9. Separation shall be brief in duration, and age and developmentally-appropriate. The child shall be within sight and hearing of a school child care staff member, and in a safe, lighted, and well-ventilated space.

We feel our goal is best accomplished by the following:

1. Positive language and manners will be used to communicate limits, clarify expectations, and provide simple, consistent explanations
2. Providing a structured environment
3. Children are recognized with praise for respecting limits

A child having behavior problems during his/her stay in childcare may:

1. be removed from the group to a designated timeout area
2. for serious or recurrent problems, the parents will be notified
3. for continuous serious or recurrent problems infractions, a child's enrollment may be terminated.

TERMINATION OF CHILDCARE

Termination by Parent

Ten (10) school days written notice is required. All tuition that is due must be paid. Any parent who terminates without paying all tuition and notice fees will receive a statement of account specifying a due date for payment. If payment is not received, the program reserves the right to use whatever means necessary, including all legal avenues, to recover the amount due. Additionally, any future childcare programs will be unavailable due to non-payment.

Termination by Program

Termination by the Program's Choice: Reasons for the Childcare Director to end a family's participation in the program **include, but are not limited to:**

1. **A child's misbehavior.** Program staff will work with children in a positive manner as specified in our discipline policy. Children who do not respond and who create situations that are dangerous for themselves, other children, or staff members may be better accommodated in another setting. Parents will be consulted whenever any difficulties arise and kept informed about disciplinary processes. A request to find another setting would not be unexpected. Parents in this situation would be given (2) weeks (14 days) notice to find other accommodations if possible.
2. **A child's severe and repeated misbehavior.** Immediate dismissal from the program.
3. **Parent's non-compliance with program policies and requests for cooperation in working with a child.** The Childcare Supervisor will notify parents verbally of the program guidelines. If parents disregard such specific requests for cooperation, the Supervisor may choose to give two (2) weeks (14 days) notice.
4. **Repeated non-payment of tuition.**

PRESCHOOL/CHILDCARE TUITION & FEES

Parents are expected to accept the financial commitment for the entire duration of the school year program. Preschool operates on the same schedule as Kings Local Schools and observes the same holidays. **Regular tuition will be paid during Thanksgiving Break, Winter Break, and Spring Break.**

Tuition is due every Monday, unless paid in advance. Tuition can be paid weekly, monthly, or yearly if you prefer. Tuition not received by Wednesday of that week will be considered past due and assessed a late fee of \$10.00 for each week tuition is not paid. However, two weeks unpaid tuition could result in dismissal from the program. Withdrawal from the program. requires a two week paid written notice to be submitted to the preschool office.

Paying by check is welcome. In the unlikely event your check is returned unpaid, you understand and agree that your check may be electronically re-deposited or if necessary re-deposited by paper draft. You understand and agree that we may collect a return check processing charge of Thirty Dollars (\$30.00), by the same means and allowable by law.

Children may not be signed in before 6:30 AM. The program closes at 6:00 PM. Late fee pick-up fees are \$15.00 per child starting at 6:01 PM and \$5.00 every five minutes thereafter. After 4 late occurrences, the child may be dismissed from the program. The late fee may be paid at the time of pick-up or with the following week of tuition. If you feel you may have an occasional "pick-up" problem, please make arrangements with friends or relatives to have your child picked up on time. We appreciate your cooperation regarding this matter.
