

**New Family Student Breakfast
Friday, August 11, 2022
9:00 am**

Welcome to Kings Junior High!

We would like to invite new families to the district that have children at KJH to an informational breakfast in the Bradford Learning Commons in the High School (enter through door A1 Kings High School - where the two buildings connect). You will have a chance to tour the building and talk with our Administration Team. We hope to see you there!
This is for families who are new to the Kings District.
