

Kings Band Boosters Used Instrument Drive

Do you have an instrument gathering dust around the house? Kings Band Boosters through the sponsorship of **Kaylyn's Hope Chest** can help bring the instrument back to life! While a student at Kings, Kaylyn played the flute and her family would like to honor her memory and passion for music by making instruments available to members of the community that cannot afford an instrument. At this year's BandCakes, we will be collecting used instruments and having them serviced so that they can be loaned to students who would like to join any of the Kings band programs. If you would like to donate an instrument, please bring it to Kings High School on March 9th during BandCakes or contact Brett Russell at kbbpresident1@gmail.com and we will make arrangements for pick up.

BANDcakes Breakfast

***Saturday, March 9th
7:30am—noon,
Kings High School***
