

Kings Wrestling Pledge for Pins and Wins

Pledge for Pins and Wins is designed to grow our wrestling program while also supporting and encouraging our hard-working wrestlers: you simply pledge money for each pin or match your wrestler wins during the 2018-19 season. For example, if you pledge \$5 per pin or win and your wrestler accumulates 10 pins and 5 wins by point, during the season, your pledge is \$75. The wrestling staff will track pins/wins and your pledge amount. At the conclusion of the 2018-19 season, we'll send you a reminder and you can make a donation to KABC Kings Wrestling for the amount of your pledge. You may also donate a flat rate for the season. Any and all donations are accepted and appreciated.
